Waynesburg Central High School

2021-2022

Code of Conduct
Student Handbook
Waynesburg Central High School will continue to follow all mandated guidance by the PA Secretary of Health, Governor, or other governing authority. This may mean that policies and procedures found within this handbook will need to be changed during the current school year.

Welcome to Waynesburg Central High School, home of the “Raiders.” The high school consists of grades nine (9) through twelve (12) and houses approximately five hundred thirty (530) students. The high school faculty consists of over fifty five (55) faculty and staff members. In addition to the faculty and staff, two administrators, a Principal and Athletic Director, are housed in the building along with two Guidance Counselors, and one Resource Officer.

Our goal is to offer students everything they may need to succeed later in life, whether it be college, military, or in the workforce. We are fortunate to be located near the Greene County Career and Technology Center, which enables our students to choose from many vocational areas.

This student handbook is designed to answer any questions you might have about Waynesburg Central High School. If you can’t find the answer to your question in this book, be sure to call the office as soon as possible for assistance.

Sincerely,

Dr. Kevin Monaghan, Superintendent
Mr. Bob Stephenson, Principal
Mr. Chris Minerd, Athletic Director

Alma Mater
Waynesburg, dear Waynesburg
Our teams won’t yield
And sportsmen you’ll find them
In class, floor and field;
And our banner glorious
Our red and black,
We’ll always honor
Nor courage we’ll lack
For Waynesburg, dear Waynesburg
Our cheer we’ll raise
And thee will we cherish
Through all our days
And even as old grads
We will come back,
To swell the chorus
For red and black.

ACCESS TO SECONDARY STUDENTS

Pursuant to the No Child Left Behind Act of 2001, all local educational agencies (LEAs) must provide to military recruiters or institutions of higher education, upon request, access to secondary school students’ (i.e., juniors and seniors) names, addresses and telephone listings. The state military affairs law requires the release of directory information consisting of a list of junior and senior male and female students by name, home address and telephone number. The list will be compiled by the first (1st) day of the academic year in which the senior students will graduate. The list will be sent to the recruiters twenty-one (21) days from the start of the school year.

A secondary school student or the parent of the student may request that the student’s name, address, and telephone listing described in the preceding paragraph be excluded from the list and not be released without prior written parental consent.

ADVANCED PLACEMENT COURSES

Students are accepted for these programs on the basis of criteria developed by each department, which could include academic achievement, academic aptitude, test scores and teacher judgment. Parental & teacher consent is also necessary for a pupil to be enrolled in these programs. Students committing to these courses must enroll and provide payment for the required AP exam. Students who have paid for the exam, but then choose not to sit for the test, must take an in house final, which is worth 30% of their current semester grade. Students taking an in house final will not receive AP eligibility on their transcript. Once you have submitted your request with the signed color coded request form to the Guidance Office, you will not be permitted to drop the AP course.

AFTER SCHOOL USE OF FACILITIES

Only those students who are involved in a school activity, which is sponsored and led by a faculty member/coach, are to remain after school. The weight room, gym, wrestling area, auditorium, stage, band room, chorus room and all classrooms are closed to students unless a faculty member is present. Prior notice to such arrangements must be made with the administration. Students who wait for rides must remain in the Commons Area. A security guard will be present to monitor student conduct during this time. His/her duty is to see that reasonable student behavior is achieved. Students who violate these rules will forfeit their rights to any after school activities for a period of time determined by administration.

ARRIVAL TIME

Students arriving prior to 7:45 A.M. are to report to the cafeteria for breakfast. At the 7:45 A.M. bell, students will be permitted to go their lockers and then are to report to their first period class. Students arriving between 7:45 A.M. and 7:55 A.M. have the option to report to the cafeteria for breakfast or to their locker and then to their first period class. Students should not congregate in any entrance area in which traffic is flowing. In addition, breakfast is served daily in the cafeteria from 7:30-7:55.

At 8:00 A.M. a bell will sound to indicate the time for first (1st) period to begin. Any student not in first (1st) period class when the bell sounds will be sent to the office for a tardy slip. (See tardy policy)

ATHLETES/EXTRACURRICULAR ATTENDANCE POLICY

In order to be eligible to participate in any interscholastic athletic contest, a pupil must have been regularly enrolled.

Students will be ineligible to participate in any activity or sport if he/she has missed more than twenty (20) school days during a semester, unless the absence is verified by a doctor’s written excuse.

Students must attend at least one (1) full period on the day of practice to be eligible to participate in that practice. To participate in an event/contest, students must be in school by 11:30 a.m. of the same day of the event/contest.

HOW ABSENCE AFFECTS ELIGIBILITY:

A pupil who had been absent from school during a semester for a total of twenty (20) or more days shall not be eligible to participate in any athletic contest until he/she has been in attendance for a total of forty-five (45) school days following his/her twentieth (20th) day of absences, except where there is a consecutive absence of five (5) or more school days due to confining illness, such absences may be waived from the application of this rule by the District Committee. Attendance at summer school does not count toward the required forty-five (45) days. Absence from school for an entire semester, or for several semesters, shall disqualify a pupil for the same period as stated in this section. Fifteen (15) days or more of enrollment in a semester in any secondary school shall count as one (1) semester of membership. Attendance at summer school does not count as a semester or part of a semester.

Student athletes must pass four (4) full subject areas while carrying at least a 2.0 GPA throughout the season to maintain eligibility.
ATTENDANCE POLICY

Waynesburg Central High School recognizes the importance of good attendance. Due to this policy, anytime a request for absence occurs, a serious look will be given to such requests.

IT IS IMPORTANT THAT ALL STUDENTS AND PARENTS ARE FAMILIAR WITH OUR ATTENDANCE POLICY. PLEASE READ IT CAREFULLY AND FOLLOW IT IN THE SAME WAY!

After ten (10) days of absence a doctor’s excuse will be required of all students for absences, tardies and early dismissals. (Medical excuses do not count toward the ten (10) days). Also, after ten (10) days of absence without a doctor’s excuse our attendance policy states that students will:

- lose driving privileges
- lose work release privileges (seniors only)
- lose field trip privileges unless directly tied to a final grade or a prepaid field trip

As tardy time accumulates, it will count toward your number of days of absence.

- Excused tardies and early dismissals count 0.125 towards an absence. For example, four (4) excused tardies or early dismissals or any combination of both that equals four (4), would equal a half (½) day excused absence.
- Four (4) unexcused tardies will result in a student receiving one (1) day of lunch detention.
- Four (4) additional unexcused tardies (Total of eight (8) will result in three (3) days of lunch detention.
- After ten (10) unexcused absences a referral to the District Justice will be made.
- Students who continue to accumulate unexcused tardies during the remainder of the year may lose driving privileges determined by administration. Continued violation of the tardy policy will result in referral to the Superintendent and consideration for expulsion.

STUDENTS HAVE TWO (2) DAYS TO PROVIDE A LEGAL EXCUSE BEFORE THE TARDY IS RECORDED AS UNEXCUSED.

EXCUSES

Any student who is absent, upon return, must offer an excuse to the school secretary at the office window between 7:45 A.M. and 7:55 A.M. This excuse from his/her parent/guardian should contain the following information:

- Student’s first name and last name
- Grade
- Date of absence(s)
- Reason for absence

- Phone number where a parent/guardian can be reached
- Parent/guardian’s signature

EXCUSED ABSENCES

The Pennsylvania School Code recognizes the following reasons as legal absences:

- Illness
- Religious holiday
- Medical/dental excuse
- Death in the family

“Personal reasons” is not an acceptable excuse and will be considered illegal.

ILLEGAL ABSENCES

An absence is considered illegal when a student misses school for any reason other than those approved by the state. It is also considered illegal when a student fails to provide the school with an acceptable written excuse from his/her parent/guardian within two (2) school days of the absence. A medical excuse is also considered to be illegal when a student fails to provide a required doctor’s excuse within two (2) school days. It is the nurse’s discretion to send students home due to illness. Students are not permitted to contact parents via personal cell phones or other devices. This action may result in disciplinary actions and unexcused absence.

EARLY DISMISSALS/TARDIES

Early dismissals will be treated just as we do absences. If a student misses school for a medical or dental appointment and provides the school with a card or note from the doctor/dentist, the excuse will be legal. If he/she fails to provide the school with the proper form from the doctor/dentist, the absence will be considered illegal.

Remember, early dismissals and tardies count toward your attendance.

Students who return within 2 hours from an early dismissal will not have an absence count against them.

All requests for early dismissals must be in writing. In addition to the note signed by parent/guardian, the school also requires a phone call in advance of the early dismissal from parent/guardian to confirm the early dismissal. The only time an early dismissal will be approved without a note in advance would be in an emergency. If a parent/guardian fails to call, he/she must physically enter the building to sign out the student. If a student leaves on an early dismissal without following school procedure, detention and/or suspension will be assigned.

No student is permitted to sign or forge a parent or guardian’s signature for any reason whatsoever. This will...
result in a day of out of school suspension and additional days if this activity continues.

REGARDLESS OF AGE, all students must have a parent or guardian contact the school via phone prior to their early dismissal. This is IN ADDITION TO the written note that must be turned in to the office before 7:55 A.M.

BOOK BAGS/BACKPACKS

In order to improve security and for your safety, students may carry their books to school in book bags, back packs, oversized purses, gym bags, etc. but they are to be left in the locker after 8:00 A.M. Bags should not be retrieved until the end of ninth (9th) period if students wish to carry belongings to their tenth (10th) period. Like most schools, we are simply looking for effective ways of making our building safe. Thank you for your cooperation.

BUILDING SECURITY/VISITORS TO THE SCHOOL

Parents of enrolled students, prospective students, and Central Greene residents, generally, are encouraged to visit the schools to become familiar with educational programs, to confer with school personnel, or to obtain desired information. Visits by appointment are recommended in order to assure the availability of counselors, teachers, supervisors, and administrative personnel. Visits can be arranged by contacting the school Guidance Office.

All parents/guardians and visitors to the school are required to stop at the school visitors window upon entering the building. All visitors/volunteers must sign in to the new Raptor system. All visitors to Waynesburg Central High School are required to scan identification (driver’s license, state issued photo ID, etc.) when entering the High School. At completion of your visit, return to the main office to sign out and retrieve their ID. No visitor will be permitted to enter the building during class changes. If you arrive during this time you will need to wait outside of the building for the duration of the four (4) minute time period that students are changing classes.

BULLYING/CYBER-BULLYING POLICY

Bullying is unwelcome, repeated harmful behavior that is severe, persistent or pervasive and has the effect of doing any of the following:

• Substantial interference with a student’s education.
• Creation of a threatening environment.
• Substantial disruption of the orderly operation of the school.

Cyber-bullying is a form of bullying and occurs when a student is tormented, threatened, harassed, humiliated, embarrassed or otherwise targeted by another student using electronic devices or via the internet, interactive and digital technologies, or mobile phones.

When these actions are committed by a student and directed towards another person, it is harassment.

Bullying can be carried out by a single individual or a group. Bullying includes a wide variety of behaviors and generally involves the intent to harm, embarrass or humiliate the other person. Bullying, as defined in this policy, includes the following types of actions:

• Physical - includes, but is not limited to, the following actions, or threats to do such actions: hitting, kicking, spitting, pushing, restraining, and taking or damaging personal belongings.
• Verbal - includes, but is not limited to, taunting, malicious teasing, name-calling and making threats.
• Psychological or Relational - includes, but is not limited to, spreading rumors, manipulating social relationships, intentionally excluding someone from a group, engaging in social exclusion or intimidations, and any behaviors that can undermine or destroy relationships. These behaviors can be either physical and/or psychological in nature.
• Cyber-bullying - verbal and psychological or relational bullying may also occur using electronic devices such as, but not limited to, computers, cell phones, and pagers. Cyber bullying includes, but is not limited to the following misuse of electronic devices;
  • Harassing, teasing, intimidating, threatening, or terrorizing another student or other child, through e-mail, instant messaging, posting comments or pictures on blogs or websites, and text messaging. All forms of cyber-bullying are unacceptable and, to the extent that such actions are disruptive of the educational process of the district, offenders are subject to appropriate school discipline, as well as legal and/or police proceedings.

Bullying is not mutual confrontation or mutual teasing between two (2) persons or groups of persons.

Harassment in any form is prohibited and will be treated like any other form of students’ misconduct. Students who feel they have been a victim or target of harassment should immediately report the alleged harassment to a teacher, nurse, counselor, or administrator. A copy of our District Unlawful Harassment; Bullying and Cyber bullying Policy is available in our main office area for student and parent to review.

BUS POLICY *at this time, Facemasks required!

The school district provides bus transportation to and from school for students in grades K-12. Students should board the buses in an orderly manner. Shoving, pushing, and running are unnecessary. Students will listen to and follow the directions of the aide or teacher on bus duty.

The bus driver is responsible for the safety of all students on the bus. If any student is causing trouble that will endanger the safety of the other students, this student will be issued an exclusion notice by the bus driver. It will be filled out immediately in three (3) copies by the driver. The bus driver is then responsible for notifying the Transportation Supervisor of the violation within twenty-four (24) hours of the incident.
After the slips have been issued the policy to be followed is:

**First Offense** – The student may return to the bus when his/her slip has been signed by the parent and Transportation Supervisor or principal. It is essential that the Transportation Supervisor discuss the matter with the parents for the purpose of preventing a reoccurrence of the incident. For the first (1st) offense a student may be suspended from one (1) to three (3) days at the discretion of the Transportation Supervisor.

**Second Offense** – The student will be allowed to return to the bus with the parent and Transportation Supervisor’s signatures, but not prior to the completion of three (3) days (minimum) of suspension. The Transportation Supervisor governs this time element by the date or manner in which he/she signs the slip.

**Third Offense** – The student will not be allowed to return to the bus for ten (10) days. After the third offense the parent must assume responsibility for the student’s transportation for the ten (10) day period. A hearing before the Transportation Committee of the School Board may be requested by the student’s parent or guardian. The student will not be permitted back on the bus until he/she meets with the Transportation Supervisor.

Note: In any case, a student that has been transported on a bus to school will be returned to his/her home via the bus on that day. If the offense (first, second, or third) occurs on the way to school and the slip is issued, the district still has a legal responsibility to return the student to his home on that day.

The following regulations apply to all students using the transportation services provided by the Central Greene School District:

- The school bus drivers are responsible for the students’ discipline on their buses. They are obligated to report any and all incidents of misconduct to the Transportation Supervisor within twenty-four (24) hours of the incident. The bus driver has the same responsibility on the bus as the teacher has in the classroom.
- Transportation services can and will be denied by the Board of Education and/or the Transportation Supervisor to any students who persist in willful misconduct while using the district buses.

The following activities are considered improper and shall be reported to the Transportation Supervisor:

- Use of foul language or boisterous noise that may distract the driver.
- Annoying or striking any passenger on the bus.
- Marking or damaging any part of the bus or bus shelter.
- Refusing to sit in assigned areas or seats as designated by the driver.
- Pushing or shoving when getting on or off the bus.
- Standing or walking about the bus when it is in motion.
- Illegal use of the emergency door.
- Throwing or shooting objects in the air.
- Placing arms, legs or any part of the body out of the windows.
- Smoking or eating to or from school.
- Spitting or discarding trash on the floor of the bus.
- Transporting of disagreeable objects or materials to or from school.
- Card playing or the use of any gambling device on the bus.
- Misconduct at the bus stops or shelters.
- Students not returning home on their assigned bus.

Note: Students needing to use a bus other than their assigned one must present a written note to the main office and receive the appropriate bus pass. Phone calls will not be accepted to change a student’s regular bus routine.

- Students will not be permitted to leave the buses prior to arriving at school. Drivers are not permitted to make any extra stops.
- Students that miss the bus at the high school CANNOT board the bus at the elementary.
- Harassment of the driver in any manner whatsoever will not be permitted.

**Waiting for the Bus:**

We must exercise care to provide for safety while students wait bus transportation to home. These reminders are in order:

- Stay on the sidewalk or in the building
- Do not run/walk in the direction of a moving bus.
- Do not engage in games requiring running, dodging, etc.
- Students are not permitted to throw anything in the front of the building.
- Wait in the patio area directly in front of the office.
- If the weather is bad students may wait in the Commons Area.
- Students are not to wait in the area beyond the entrance near room 102.

**Cell Phones/Personal Listening Devices**

Waynesburg Central High School does not permit students to have cell phones and/or electronic devices visible between 8:00 AM & 3:00 PM.

Teachers have been instructed that if a cell phone is visible in any area of the building, hallway, classroom, cafeteria, commons area, between 8:00 AM – 3:00 PM, they are to confiscate it and turn it in to the office. If a student refuses to turn over their cell phone, they will be sent home immediately for failing to comply with a stated
school policy and suspended for the following day due to their lack of cooperation. If a student turns over their cell phone, a parent/guardian will have to pick up the item after 3:00 PM of that particular day. Cell phones will not be turned back over to the student. The school district is not responsible for cell phones or any other electronic device stolen from lockers.

The administration reserves the right to refer any incident of disruptive behavior to the District Justice for the appropriate criminal charges to be filed.

CLASS CUTS/SKIPPING SCHOOL

Students are expected to attend their scheduled classes daily without exception. It is the student’s responsibility to make arrangements with the classroom teacher before going to the nurse, office, another teacher’s room, etc. Failure to do so will result in the student being charged with a class cut and receiving a zero (0) for the day’s work. Disciplinary action will be determined at the discretion of the building administrators, which could result in a referral to the District Justice.

CLASSROOM DISRUPTION

Procedures for handling classroom behavior problems are the basic responsibility of the classroom teacher. Discipline is most effective if handled as soon as possible. Students are to be sent to the office only after the teacher feels that the student is hampering normal class activities or after procedures found below are not productive. These rules also apply to substitute teachers. They are to be afforded the same respect as a regular classroom teacher.

- Student-teacher conference
- Parent contact – Conference if necessary
- Lunch detention
- Referral to counselor

COLLEGE COURSES

Students in 12th grade may choose to take college courses on a local college/university campus or online while still enrolled at Waynesburg Central High School. These courses must be approved in advance by the high school administration.

If a college course appears on a student’s transcript for credit, then the course must be assigned quality points based on the grade earned. If the student is seeking credit towards graduation for this course, then the course must appear on their transcript and be assigned quality points.

COLLEGE VISITS/VOCATIONAL CLASSES

Juniors and seniors that plan to visit colleges are required to fill out a college request form five (5) days before the date of the trip and turn it into the front office. Only two (2) college visits each year, totaling 4 days, will be excused.

Career and Technology students that are required to attend training (welding, mining classes, etc.) must fill out a request form from the front office, and receive the required signatures.

COMMUNICATIONS/APPOINTMENTS

We feel that it is very important to keep an open line of communication with parents. However, the administration and guidance counselors have many responsibilities scheduled throughout the day. In order to give each parent sufficient time, it is important that you call in advance and make an appointment. If you have not made a prior appointment before arriving at WCHS you may be asked to return at a later time.

Any phone calls made to the administration are subject to being recorded for accuracy.

COMPUTER POLICY

Computer lab usage is a student privilege, not a right. Students who abuse computer equipment, software, or data may be denied future use of computers and disciplinary action will be taken. Students will be held liable for intentional damages and may be prosecuted. Illegal use of the network, intentional computer deletion or damage to files of data belonging to others, copyright violations, or theft of services may be reported to the appropriate legal authorities for possible prosecution. Vandalism may also result in the cancellation of privileges. This includes, but is not limited to, the uploading or creating of computer viruses. Rules for computer use:

- Food and drink are not permitted near the computers.
- No obscenities or profanities will be allowed on files or discs.
- Respect each other’s privacy. You may only access your own files/discs.
- Respect each other’s property. Make changes only to your own files/discs.
- Only use district authorized software on school district computers.

**ESTRUCTION OF SCHOOL PROPERTY**

The taxpayers of Greene County should be very proud of the Central Greene School District Facilities. Any one damaging, defacing or causing interference to the educational environment will be disciplined. All acts of vandalism can be treated as a civil offense and can involve the civil authorities as well as a three (3) to ten (10) day suspension and denial to participate in graduation ceremonies. We do everything in our power to maintain the beautiful appearance of the building. Therefore, anyone damaging school property will be required to pay full restitution costs. In addition the student(s) will receive a Temporary or Full Suspension, depending on the seriousness of the incident.

**ISCIPLINE POLICY**

PLEASE NOTE: Waynesburg Central High School officials make every attempt to enforce the policy in a fair and consistent manner. However, we recognize that some violations are much more serious than others are and could result in the student’s immediate removal from the regular program. Waynesburg Central High School reserves the right to deal with each discipline problem in a manner, which best serves the educational program and the student involved. Any behavior, which the administration feels is disorderly in nature, may be referred to the district justice for legal action.

The following disciplinary actions are utilized by the administration at Waynesburg Central High School:

► **Notification of Parents** – In most cases the administration or teacher will notify the parent of the offending student. Parental cooperation is essential to a smooth-running school.

► **Lunch Detention** – Students will be assigned to lunch detention and be responsible to follow these guideline:
  - A daily list of students’ assigned detention will be announced prior to the lunch periods. In most cases detention will be that day. However, sometimes it may vary and it is the student’s responsibility to listen to the announcements.
  - Students whose names are announced will be excused three (3) minutes early at the end of their 4 or 5/6 period to get their lunch from the cafeteria.
  - Students will report promptly to the specified room for detention.
  - Students will spend the entire thirty (30) minute lunch period in the detention room.
  - If a student chooses to bring a lunch from home, it is the student’s responsibility to take that lunch to the 4 or 5/6 class. Students will not be permitted to go to their lockers from the detention room.
  - If a student is absent on the assigned day, his name will be added to the next day’s list.
  - The only way a student will be allowed to change a lunch detention is with written permission from the administration.
  - It is the student’s responsibility to know when he/she is assigned and for how many days.

If a student accumulates eight (8) detentions during a semester, the student will be suspended for one (1) day. After sixteen (16) lunch detentions during a semester, the student will be suspended for a second day.

- Students assigned detention on or near the last day of school and are unable to complete it by the end of the school year will be solely responsible for serving the appropriate consequence during the summer months.
- If the student fails to complete the appropriate consequence during the summer months, a magistrate referral could be made.

► **Loss of Privileges** – School privileges may be withdrawn by the administration for as long as necessary. This includes extracurricular activities (both athletic and non-athletic), school social events, driving privileges and other functions.
► Temporary Suspension – When a student is suspended from one (1) to three (3) days under the following conditions exist:

- The student must leave school and go home.
- Parents are notified of the reasons for and length of the suspension.
- A suspension letter will be sent to the parents and to the superintendent containing procedures for re-admittance.
- Students serving a suspension will not be permitted to attend any after school activities and are not permitted on school grounds.

► Full Suspension – A student may be suspended up to ten (10) days after an informal hearing before the principal is offered to the student and his/her parents.

► Expulsion – Where following the suspension of a student a recommendation is made for further action by the Board of School Directors, the student shall be entitled to a formal hearing before the Board of School Directors. This hearing may be held before the entire Board of School Directors, or a duly authorized committee of the Board or before a duly qualified hearing examiner who need not be a member of the Board but whose adjudication must be approved by the Board. In all cases, however, the affirmative vote of the majority of the Board of School Directors present at the hearing shall be required to expel a student. The following due process requirement shall be observed with respect to a formal hearing:

- The student’s parent or legal guardian shall be notified by certified mail of the charges pending against the student.
- The student and his/her parent or legal guardian shall be provided with sufficient notice of the time and place of the hearing.
- The hearing shall be held in private unless the student or his/her parent or legal guardian specifically requests a public hearing.
- The student shall have the right to be represented by legal counsel.
- The student shall have the right to be presented with the names of witnesses against him/her and copies of any statements and/or affidavits of such witnesses.
- The student shall have the right to request that any such witnesses appear in person at the hearing and be subject to cross-examination.
- The student shall have the right to testify and present witnesses on his/her own behalf.
- A recorder or stenographic record shall be kept of the hearing, and the student shall have a right to a copy of the transcript, at his/her own expense.
- The hearing shall be held with all reasonable speed.
- During the period, if any, between the student’s suspension from school and any formal hearing as described above, the student shall be permitted to participate in normal classroom work and activities.

However, if following an informal hearing, the Administration determines that the student’s presence in his/her normal class could constitute a threat to the health, safety, morals, or welfare of others, the student may be excluded from school for more than ten (10) days if the formal hearing is not unreasonably delayed. Any student so excluded shall be provided alternative education, which may include home study.

► Referral to District Justice – One of the most effective options that the school may use is referral of problem students to the district justice for legal action. This may occur when a student is disruptive, uncooperative, belligerent, or behaves in a manner, which the administration feels warrants the attention of the district justice. Attendance violations for students of mandatory school age also are referred to the district justice. In most cases the student will be required to pay a substantial fine and perform community service.

► Referral to the Superintendent – On occasion students over the mandatory school age miss school without valid reason. The administration reserves the right to refer these students for a meeting with the Superintendent to discuss their education future.

DISCIPLINE LEVELS

The Central Greene School District has approved a Discipline Policy that categorizes most offenses into levels of seriousness. This simply makes it easier to understand how different discipline incidents are viewed.

Discrimination/Anti-Harassment Policy

The school district is committed to equality of opportunity, human dignity, diversity, and academic freedom. No school district employee or student or other persons under the direct control of the school district on school district property shall intentionally harass, intimidate, demean or abuse a person or group of people (physically, verbally or by any other conduct) with the purpose of unreasonably interfering with a person’s work or academic environment in connection with any school activities or operations. The anti-harassment policy includes cases where the conduct is related to race, color, religion, national origin, ancestry, sex, age, marital status, familial status, disability or veteran status. No person covered by this policy shall retaliate or threaten retaliation against another person for reporting, testifying to otherwise relating to a complaint of harassment.

Disruptive/Disrespectful Behavior

Disruptive or disrespectful behavior will not be tolerated. Students that make inappropriate remarks to a teacher whether joking or intentional will result in the disciplinary action. The administration reserves the right to refer any incident of disruptive behavior to the District Justice for the appropriate criminal charges to be filed.

Dress Code for Students

Clothing should not be so immodest or so inappropriate to the school setting as to disrupt the educational process. Therefore, the district will not permit clothing deemed distracting, revealing, overly suggestive, or otherwise disruptive. This includes:
• Halter tops/one-strap shirts/tank tops with straps less than 1 inch in width
• Spaghetti straps without an over shirt
• See-through shirts, tops, or blouses without a tank top underneath
• Undergarments (including bra straps), cleavage or midriffs should not be exposed
• Low-cut shirts, tops, or blouses
• Pajamas
• Blankets
• Tights, Leggings, yoga pants or other types of hosiery must be accompanied by a fingertip length or longer top or dress.
- Capes or costumes
- Sunglasses

- The district will not permit clothing that displays vulgar, obscene, or otherwise inappropriate symbols, language, or wording.

- The district will not permit clothing or accessories (i.e. book bags, jewelry, hats, T-shirts, etc.) that display or make reference to alcohol, tobacco, or other illegal substances.

- Clothing may not state, imply, or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification.

- Students may not wear or display gang attire, gang colors, or gang symbols on their clothing or accessories.

- Under most conditions, students may not wear hats, hoods, head stockings, or kerchiefs in buildings. Head bands 1” in width or less are permitted.

- Hats/Hoods are NOT to be worn inside the building. Hats are not to be carried with the student during the regular school day. Please remove your hat upon entering the building. They are not to be worn again until you are outside of the building. Some classes require that students wear safety hats. Permission to wear headgear for medical purpose(s) must be arranged through the main office and/or the nurse’s office.

- Students must wear proper shoes at all times.

- Students may wear special dress or costumes for specific events or special occasions during the school day when approved by the principal.

- Students may not wear accessories or clothing that could pose a safety threat to them or others. This includes heavy chains, fish hooks, multi-finger rings, studded bracelets or collars, nose/lip to ear chains, etc.

- The district does not allow unusual body/facial piercing that disrupts the order of school or that creates a safety concern for the student or other students. Any such piercing will have to be removed while in school.

- Students may not wear overly tight/short shorts, skirts, skorts, or dresses. The district does not allow bike shorts unless worn under another pair of shorts.

- Students must wear their pants at the natural waistline.

- Students are not permitted to wear jeans with holes above the knee.

- Students’ undergarments must not show.

- Students shall not wear their undergarments outside their clothing.

- Each student and his/her parents/guardian are responsible for that student’s dress and appearance.

Clothing must cover areas from one armpit across to the other armpit, down to approximately 3 to 4 inches in length on the upper thighs (see images below). Tops must have shoulder straps. Rips or tears in clothing should be lower than the 3 to 4 inches in length.
WCHS PHYSICAL EDUCATION JEWELRY POLICY:
WCHS requires the removal of all jewelry as the safest manner to participate in physical education classes, interscholastic athletic teams, and intramural activities. Jewelry is defined as any object not considered part of physical education activity clothing (i.e. earrings, posts, rings, bracelets, watches, any skin piercing item, etc.) Religious jewelry and/or medical alert jewelry is permitted if taped flush with the body and worn under clothing. **Note:** Piercings in or around the mouth area are prohibited in school. You can’t have any piercings in your nose, tongue, mouth, or face that disrupts the education process.

The rationale for this policy follows:
- Jewelry caught on equipment, clothing, or another student during movement activities may tear the skin which could result in blood loss and/or infection, permanent scarring, or severance of a body part.
- A direct hit from another person, a ball, racquet, stick, or similar equipment on a piece of jewelry such as an eyebrow ring, hoop, or stud may split the skin and also result in blood loss, infection, and/or permanent scarring.

Students refusing to remove jewelry for Physical Education class will not be permitted to participate in the activity. Furthermore, the student will be referred to the office for disciplinary action, and parents/guardians will be contacted regarding the refusal.

Please instruct your child on how to remove his/her earrings/piercings and provide storage for them if worn on P.E. days. If the student is unable to remove his/her jewelry, non-participation will result, which can ultimately affect his/her grade. This policy is in effect to ensure the safety of your child as well as other children.

School administration will make the final judgment on the appropriateness of any student’s dress and reserves the right to prohibit students from wearing any article of clothing or accessory which may result in the disruption of the school environment. Upon every offense students are required to change immediately.

DRIVING POLICY
It is the belief of the Central Greene School District that students having cars on campus can result in:
- increased tardiness
- increased truancy
- increased class cuts
- an increased number of accidents
- other potentially dangerous situations

It is our belief that the Central Greene School District provides adequate transportation for our students to and from school on a daily basis.

It is the district policy that no student shall operate a motor vehicle (car/truck/ motorcycle/motorbike/etc.) between the hours of 8:00 A.M. and 3:00 P.M. on any day in which the Central Greene School District is in session with the following exceptions:

► **Approved Work Release** - Students must provide proof of daily working hours from the employer along with a letter from the employer and parent/guardian stating their approval and willingness to take responsibility, and completed work permit. Work release driving permits may be obtained from the high school Athletic Director, Chris Minerd, from 9:00 A.M. until 1:00 P.M. A twenty dollar ($20.00) non-refundable fee will be charged for the parking permit. The numbered, color-coded permit is to be placed on the interior rear-view mirror while the vehicle is in the parking lot.

► **Participation in extra-curricular activities which require students to remain after the normal school dismissal** - Students must inform coaches/sponsors of the activity of their intent to drive. In turn, the coach/sponsor will notify the Athletic Director, Chris Minerd, and a driving permit will be issued. The numbered, color-coded permit is to be placed on the interior rear-view mirror while the vehicle is in the parking lot. A fee will be charged for the parking permit and that permit will need to be turned back in when that particular sport ends.

► **A medical or dental appointment, approved in advance** – Students who have not purchased a parking permit, but must drive to a medical or dental appointment and will be leaving early or coming to school late will be required to obtain a temporary parking permit on the day prior from the athletic office. The numbered, color-coded permit is to be placed on the interior rear-view mirror while the vehicle is in the parking lot. The temporary parking permit must be returned to the office upon returning to school.

► **Parking Lot Rules**: Students will be assigned a numbered parking space permit. There are a limited number of parking spaces available in our student lot. Assignments will be made on a first come, first served basis. Once the lot is full no permits will be issued until spaces become available. You must park in the designated space or risk losing driving privileges. If another vehicle is in your space you should park in Row #2 in a space between #44 and #47. Be sure to get the make, model, license number, and parking permit number and notify the office immediately upon entering the building.

The following rules must be followed or student may be required to forfeit driving/parking privilege and receive disciplinary action:
 STUDENTS ARE NOT PERMITTED TO PARK IN THE ELEMENTARY OR VO TECH PARKING LOTS. VIOLATORS MAY LOSE THEIR DRIVING PRIVILEGES AND FACE DISCIPLINARY ACTION.

Parking permits can be purchased for a twenty dollar ($20.00) non-refundable fee to the athletic office. Students parking illegally, without a valid parking permit, in the wrong area, or not following the rules previously listed will receive disciplinary action and may lose their parking permit for the remainder of the school year.

DRUGS AND ALCOHOL

The Board affirms the value and potential of each individual member of the school community. Recognizing that chemical abuse and dependency seriously impair the realization of the individual's full potential, and thus adversely affect the fulfillment of district-wide education goals, the Central Greene School District hereby assumes an adamant position in prohibiting the use and possession of illicit drugs, alcohol, and other substances, devices or drug paraphernalia by its students.

According to district policy 227, Controlled Substances/Paraphernalia, if based on the student's behavior, medical symptoms, vital signs or other observable factors, the building principal has reasonable suspicion that the student is under the influence of a controlled substance, the student may be required to submit to immediate drug or alcohol testing. The testing, subject to the discretion of the district may include, but is not limited to, the analysis of blood, urine, saliva, or the administration of a Breathalyzer test.

If a student refuses to give consent to the taking of the test, or if the test is otherwise obstructed, compromised or adulterated, a violation of this drug policy shall be presumed, and the student shall be subject to any and all...
of the appropriate disciplinary and non-disciplinary sanctions and procedures which accompany a positive test or other finding of drug or alcohol use.

Definitions:

► **SAP** is a multi-disciplinary team composed of school personnel (teachers, staff, administrators, nurses, counselors) and other members of the community. This team has been trained to understand and work on the issues of adolescent chemical use, abuse and dependency and will play a primary role in the identification and referral process of students coming to their attention through the procedures outlined in this policy.

► **Cooperative Behavior** shall be defined as the willingness of a student to work with staff and school personnel in a reasonable and helpful manner, complying with the requests and recommendations of the members of the Student Support System.

► **Uncooperative Behavior** is resistance or refusal, either verbal, physical, or passive, on the part of the student to comply with the reasonable request or recommendations of school personnel. Defiance, assault, deceit, and flight shall constitute examples of uncooperative student behavior. Uncooperative behavior shall also include the refusal to comply with the recommendation of the members of the SAP Team.

► **Emergency Situation** is any situation in which it reasonably appears that the health or safety of the student in question, other students or school personnel or facilities will be endangered by the delay inherent in compliance with the notification requirements set forth herein.

► **Possession** is possessing or holding, without any attempt to distribute, any alcohol, drug or mood-altering substance determined to be illegal or as defined in this policy.

► **Distributing** is to deliver, sell, pass, share or give any alcohol, drug or mood altering substance, as defined by this policy, from one person to another to aid therein.

► **Look-alike Drug, Substance, Liquid or Device** is a non-controlled drug, substance, or liquid or device which in its overall appearance substantially resembles in size, shape, color, and markings or lack thereof, a controlled substance, drug, liquid, alcoholic beverage, or device, or which is packaged or enclosed in a container substantially similar to that accompanying or containing a specific controlled substance, liquid, drug, alcoholic beverage or device. Students participating in look alike, drug activities, using look alike drugs or drug paraphernalia, recording or glamorizing drug use will be punished according to the district drug and alcohol policy.

► **Drug/Mood Altering substance/Alcohol** shall include any alcohol or malt beverage, and drug listed in Act 64 (1972) as a controlled substance, chemical, abused substance or medication for which a prescription is required under the law and/or any substance which is intended to alter mood.

Examples of the above shall include, but are not limited to:

- Beer,
- Wine,
- Liquor,
- Marijuana,
- Hashish,
- Chemical solvents,

- any capsules or pills not registered with the nurse, as noted within the student's health record and given in accordance with the School District policy for the administration of medication to students in school.

► **Drug Paraphernalia** is any equipment, material, or device or container of any kind used, or designated for use, in growing, manufacturing, processing, preparing, packaging, storing, containing, concealing, injecting, ingesting, or inhaling a controlled substance, prescription drug, drug or alcoholic beverage.

**IN MOST DRUG AND ALCOHOL RELATED INCIDENTS THE POLICE WILL BE NOTIFIED. THE SCHOOL DISTRICT RESERVES THE RIGHT TO FILE THE APPROPRIATE CHARGES AS DEEMED NECESSARY BY THE INCIDENT. ANY INCIDENT INVOLVING DRUGS OR ALCOHOL COULD LEAD TO EXPULSION.**

**Educational Environment**

It is the responsibility of the school to create and maintain an atmosphere that is conducive to teaching and learning. Everyone in the educational process has the right to expect a safe well-organized environment. The establishment of reasonable rules and guidelines should produce consistency required in interaction based on respect and cooperation.

**Educational Trip**

In accordance with basic School Board policy it is necessary that family trips for educational purposes be considered within the context of school purposes and school law.

Parents who are planning to take their children on an educational trip during the time that school is in session may request an excused absence for the students. Consideration of such a request is dependent on these conditions:

- The maximum of five (5) days permitted.
- Any days beyond the maximum of five (5) days permitted will be considered unexcused and
unlawful for students under age seventeen (17) and appropriate legal action will be taken.

- The Board and administration strongly advises parents not to plan educational trips within the first or last ten (10) days of the school term.
- The purpose, itinerary, and supportive educational aspects must be clearly explained for justifying such an experience beyond the classroom.
- Such a request MUST be made by the parent a minimum of five (5) school days prior to the student’s anticipated absence using the proper form which may be secured from the school office.

The school principal shall review each request for compliance with the stated conditions before submitting it to the Superintendent for consideration.

The following will be taken into consideration by the principal in granting permission for the trip:

- The student’s academic standing
- The student’s attendance record
- The effect the absence will have on the student’s educational welfare
- Exceptionality of the request

If approval is granted before the trip is taken, the student’s absence will be excused. **If prior approval is NOT received, the absence will be classified as unlawful and/or unexcused.** Should the student’s absence extend beyond the approved time, such days will be classified as unlawful and/or unexcused.

It will be the student’s responsibility to contact teachers prior to the approved absence to make up assignments missed.

The student is expected to complete all schoolwork that is assigned during the approved absence. Such assignments will be given to the student immediately prior to the absence. Schoolwork must be turned in when the student returns.

**NOTE:** THE DAYS USED FOR EDUCATIONAL TRIPS COUNT TOWARD THE STUDENT’S TEN (10) DAYS OF ABSENCE.

**Emergency School Closing**

It is imperative that you keep your contact information updated to be able to receive these alerts.

**Expression Distribution and Posting of Materials**

The right of public school students to freedom of speech is guaranteed by the Constitution of the United States and the constitution of the Commonwealth. The School District respects the right of students to express themselves in word or symbol and to distribute and post materials in areas designated for posting as a part of that expression. The School District also recognizes that exercise of that right must be limited by the District’s responsibility to maintain an orderly school environment and to protect the rights of all members of the school community. Materials sought to be distributed or posted as part of the curricular or extracurricular programs of the District shall be regulated as part of the School District’s educational program.

**False Alarms/Calls/Threats or Tampering with Safety Equipment or Devices**

The safety of our staff and students is of utmost importance. Ensuring this safety is the responsibility of the entire Central Greene School District community – staff, school board, administration, parents and the student body. Students are not permitted to tamper with school safety equipment or materials. In addition, any student who furnishes false information to any adult concerning the placement or setting of a bomb or other explosives, or falsely set off an alarm, will be subject to expulsion and referred to the police for related violations when deemed necessary by the Building Administration.

**Forgery**

No student is permitted to sign or forge any official school document, which includes excuses and bus notes, from a parent, guardian, teachers or staff member’s signature for any reason whatsoever. This will result in a minimum of one (1) day of out of school suspension. Additional days may be added by administration due to the severity of the issue.

**Forgotten Items**

In order to encourage your student to gain more responsibility, please limit the amount of times you bring forgotten items to the school (books, assignments, uniforms, gym clothes, etc.)

**Grades**

The grading scale approved by the Waynesburg Central High School is as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Range</th>

In addition, students must complete the following credits: English (4), Science (3.5), Social Studies (3.5), Math (3), Computer Education and Personal Finance (1), Physical Education/Health/Driver’s Education (3), and Electives (10).

Graduation exit interviews are a requirement to graduate. Students need to meet the deadline criteria. Any student that does not keep the timeline and complete the interview will not participate in the graduation ceremonies.

**Greene County Career and Technology Center Students**

A.M. G.C.C.T.C. students will be released from their classes at 10:08 A.M. and should report to their fourth (4th) period class by the 10:12 bell. P.M. G.C.C.T.C. Students will leave at 12:08 and return at 2:16.

One of the biggest problems we have had to face in recent years is the return of the G.C.C.T.C. students to the high school prior to the completion of class. Morning and afternoon G.C.C.T.C. students are reminded that they are not to enter the academic area of the building until the class in session is over. The noise can be very disruptive.
to the classes in session. Students are to remain in front office corridor upon entering the building. Violators will be assigned detention and/or OSS.

Morning G.C.C.T.C. students are to report to the G.C.C.T.C. at 8:00 A.M. or remain in the cafeteria until 8:10 A.M. G.C.C.T.C. students are not permitted to access their lockers or roam the halls after 8:00 AM. Students found in violation of this policy will receive disciplinary action.

**Gymnasium**

The following rules must be adhered to:

- No boots, street shoes, or heels are permitted on the gym floor.
- No food or drinks in gym
- No tobacco products

**Harassment and Sexual Harassment**

Federal and state laws prohibit sex related harassment and sex discrimination. The Central Greene School District fully endorses and enforces this prohibition. The Board of School Directors advises all students that harassment or sexual harassment in any form is prohibited. Such conduct shall result in disciplinary action, which may include suspension and/or expulsion, as appropriate.

**Hazing**

Hazing is any action or failure to act, which recklessly or intentionally endangers the mental or physical health or safety of students. Hazing activities are prohibited, will not be tolerated, and are inconsistent with the educational goals of the Central Greene School District.

Administrators, faculty, staff, coaches, sponsors, volunteers, other District employees, and students shall not encourage, permit, condone, or tolerate any form of hazing. Reporting such activity to the Principal, in writing, is mandatory by any persons witnessing such activity. Students who have been subject to hazing, or feel they have been subjected to hazing, are to promptly report such incidents to the person in charge of the activity, an administrator, or any employee with whom they are comfortable.

**Homework**

If a student is absent for three (3) days or more, requests for assignments will be honored under the following conditions:

- Assignments for three (3) days or more
- Phone calls must be received by 8:30 A.M in the Guidance Office on the day the assignments are expected.
- Assignments can be picked up in the office between 3:00 P.M. and 3:30 P.M unless other arrangements are made.

**Incomplete Grades**

On occasion, students receive an “I” (Incomplete) grade for failing to complete the assigned work in a class. Incomplete grades are to be used when a student has been absent from a class and was unable to make up the work on time. Students are to be given the same amount of days that they were absent to make up the work. Students’ failure to do so in the prescribed time will result in the “I” being changed to an “F” on the student’s report card and/or transcript.

**Littering**

We are very fortunate to have such a beautiful school. It is up to the students to keep it that way. There are trash cans located through the halls and in the restrooms. Each classroom has its own trash can. Also, the cafeteria and auditorium should be areas that are kept as free as possible of floor litter. Please use receptacles to dispose of all papers and trash. Remember, you spend seven (7) hours a day in this building; so treat it like home and keep it clean.

**Lockers**

Locker decorating will not be permitted due to warranty terms and conditions. ALL students will be expected to cooperate with this policy. Stacking of lockers is absolutely forbidden and will be dealt with accordingly. It can result in serious injury to students, to say nothing of the costly destruction of books.

Students are not to be at their locker when classes are in session without a written pass from the teacher. Locker assignments will be made by your homeroom teacher. You are not to change lockers without permission from the office. Students are not to share lockers with other students. Each locker is equipped with a combination lock. The combination is unique to each locker and should not be shared with anyone. In addition, students are not permitted to manipulate the locking mechanism.

Lockers are the property of the Waynesburg Central High School and we reserve the right to inspect them at any time.

**Lunch/Cafeteria**

The Board of School Directors deems it necessary and appropriate to implement a policy for charging meals in the cafeteria and implementing the use of pin pads for grades K-12. This policy is in compliance with the National School
Lunch Program Guidelines (U.S. Department of Agriculture).

It is the responsibility of the parent(s)/guardian(s) to ensure that the student has money in his/her account or has cash to purchase meals, or that the student brings a lunch.

All students in grades K-12 at Waynesburg Central High School, Margaret Bell Miller Middle School, Waynesburg Central Elementary School will be issued a Student Identification Number for use in the cafeteria's computerized lunch system. Students will utilize a pin pad for both breakfast and lunch and will have the responsibility of knowing his/her student number at the point of service (cashier). Security measures exist to ensure confidentiality of student numbers. Students attending East Franklin will use a roster as a check off system.

Should you not have money in your account only complete meals (consisting of three (3) or more food components) are permissible for charging. No ala-carte items (snacks, drinks, desserts, or single meal items) may be charged on the computerized lunch system account.

All money deposited in the computerized lunch system account(s) is to be used for purchases in the cafeteria only. All funds presented to Cashiers will be deposited to students’ accounts. No change will be provided. Accounts with positive balances at the end of each school year may be refunded if requested by a letter from the parent/guardian. Checks will then be issued by the business office. All money left in the computerized lunch system account at the end of the year will be transferred to the next grade level.

Before a student graduates or transfers to another district, the Food Service Director or Assistant must sign off that the student's account is paid in full before records will be released.

Please advise the food service kitchen in writing of any student food allergies; accompanied by a doctor’s excuse. No food substitutions will be offered without a doctor’s excuse.

The Central Greene School District recognizes the need for a safe school climate. Therefore, portable metal detectors may be used in our schools. School officials may request students to submit to random or scheduled checks at any time, including extracurricular events. Failure to cooperate could result in suspension or legal action.

**MORAL AND ETHICAL ISSUES**

Moral and Ethical Issues: The School District wants to provide you with a stimulating educational environment. At the same time, it wants to protect you and others from information that is not appropriate for you to use. While the School District wants you to use the internet, which can be a valuable educational tool, it does not condone the use of inappropriate information on the internet. Materials exist that are inappropriate to the instructional setting and the School District will do everything it reasonably can to prevent them from being accessed. You must clearly understand that access to inappropriate material in any form is strictly forbidden. You should avoid any information that does not support classroom learning.

**REMINDER**

No student has the right to do or say anything, which interferes with the educational process; or presents a health or safety hazard to himself/herself or others. Disciplinary action will be taken when either rule is violated!

**NON-DISCRIMINATION POLICY**

Central Greene will not discriminate in its educational program, activities, or employment practices based on race, color, national origin, sex, sexual orientation, disability, age, religion, ancestry, union membership, or any other legally protected classification. Announcement of this policy is in accordance with state and federal laws, including Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

Employees and participants who have an inquiry or complaint of harassment or discrimination, or who need information about accommodations for persons with disabilities, should contact the Office of the Superintendent at 724-627-8151 or P.O. Box 472, Waynesburg, PA 15370.

Should Federal, State, Local Policies be in conflict with district polices, Federal, State and Local Policies will supersede district polices.

All students, regardless of race, creed, or color should have the right to attend Waynesburg Central High School without fear for their safety. Racial and/or sexual harassment of any kind will not be tolerated. Violators will be suspended and referred to the District Justice for appropriate legal action.

- A student will not be admitted unless he/she has a pass from a teacher.
- Upon his/her return to class, he/she must present a permit signed by the nurse.
- Students who become ill must go to the Nurse’s Room. If the Nurse approves, the student may receive a “Home Ill” form. Then the nurse will call for a ride home. **Students are not to call home for early dismissals without approval from the Nurse or an administrator.** Violation of this policy will result in appropriate disciplinary action.
- No student is permitted to make false statements about medical conditions they may or may not have. This would include pregnancy, skin irritations, contagious diseases and any other alarming false medical statements.
- Any time the nurse is not available, the student should report to the office.

When the nurse sends a student home, that day or the remainder of the day will be excused. However, if additional days are missed by the student, it will not be an excused absence by the nurse.

**PARKING LOT**

THE PARKING LOT IS OFF LIMITS DURING THE SCHOOL DAY! VIOLATORS WILL BE DISCIPLINED ACCORDINGLY!

**PERMITS (HALL PASSES)**

During the school day a student must be in the area to which he/she is assigned unless he/she has a permit
signed by a staff member. No student is permitted to sign or forge a teachers or staff member’s signature for any reason whatsoever. This will result in a day of out of school suspension and additional days if this activity continues.

**Plagiarism/Cheating**

► **Cheating** - Webster’s Dictionary defines cheating as “To influence or lead by deceit; to practice fraud or trickery; to violate rules dishonestly.” Students earn grades through completion of their own homework, tests, projects, papers, etc. In order to present an accurate reflection of what they have accomplished, students must complete their own work. Students who take other’s work and use it as their own or give their own work to another student(s) are considered cheating. The consequences for cheating include a failing grade and disciplinary action.

► **Plagiarism** - Webster’s Dictionary defines plagiarism as “The act of stealing and passing off ideas or words of another as one’s own use without crediting the source; to commit literary theft.” Students who plagiarize will not receive full credit for the assignment/test/project/work and may receive a zero (0) on the assignment depending upon the quantity of material plagiarized.

If the situation is serious enough, as assessed by the High School Administration, additional disciplinary action may be applied which may include, but not be limited to immediate removal from the class and a grade of “F” recorded on the student’s transcript. Proven cases of cheating/plagiarism in the same course of study on or after the second time will result in:

- a failing grade for the marking period in that course
- suspension from school for three (3) days
- loss of parking pass

Cheating or plagiarism involving more than one (1) course will also be considered repetitive, and may include a suspension from school for three (3) school days.

**Pledge of Allegiance**

Each morning before the start of classes we will recite the Pledge of Allegiance in our classroom. Students are asked to stand and face the flag in a respectful manner. Although you may choose not to participate, we ask that you respect the rights of those who do.

**Profanity**

Be careful to use language which is acceptable to anyone who might hear it being uttered. There is no room in this school for written or spoken language which is offensive to others. Appropriate disciplinary action will be taken as determined by the administration. Administration reserves the right to refer any student to the District Justice for disorderly conduct.

**Public Conduct on School Property**

The buildings and grounds of the School District are public property. No one has the right to cause danger, alarm, disorder, damage or a disruption to the educational process that would interfere with, or impede the use of the property by students, visitors, guests, or employees of the School District. Possessing, using, or distributing alcoholic beverages, illegal drugs, or a weapon on school grounds is prohibited. Use of tobacco products is also prohibited. Tobacco is any nicotine product, electronic cigarette, or look-alike products.

**Public Display of Affection**

Students must be aware of the opinion others hold when they observe intimate contact between boys and girls in public places. School halls are not the proper setting for such activities. Kissing, hugging, and sitting on laps are actions which will cause the disapproval of others in school situations. Violators will receive appropriate disciplinary actions for violating these rules.

**Recruiters**

Students may refuse to provide armed services recruiters with their names, addresses, and telephone numbers by notifying the principal in writing. Act 10 of 1991 requires schools to provide recruiters with this information unless notification is received. A form will be provided on the first day of school for all Juniors and Seniors.

**Report Cards**

Report cards will be sent home with students a week following the end of the nine weeks. Students who owe any amount of money to the district or district organization will have their report card held until payment has been made in full. This action will carry over from year to year. This includes athletic equipment issued by the district or booster organizations that may have been damaged, lost or stolen.

Students not attending the last day of school will have to wait until the following Monday to pick up their report card. Report cards will be given only to the student or their parent/guardian.

**Respect for People**

Respect for other people begins with one’s own self-respect. From there, it includes a widening circle of parents, family, friends, teachers, administrators, secretaries, cafeteria workers, janitors, student teachers, and any office approved visitors to the school.

One area that will receive serious attention is respect for teachers, administrators, and staff. Any verbal or written threats toward any of these individuals may
result in a full suspension of ten (10) days, possible referral to the district justice, and/or expulsion.

RESTROOM RULES
Waynesburg Central High School, like any public building, must conform to the appropriate state codes concerning overcrowding. Our restroom facilities were designed for one (1) student per stall. For that reason, we will enforce the safety code and take appropriate disciplinary action for offenders. When more than one (1) student is found in a restroom stall appropriate disciplinary actions will be taken.

The Central Greene School District will work to educate, prevent and intervene in the potential and actual use and abuse of all drug, alcohol and mood altering substances by the entire student population. The District recognizes that in-school as well as out-of-school drug and alcohol use has a negative impact on the institution as a whole and is detrimental to the safety of our student body as well as our goal of a drug-free learning environment. Procedures will be implemented through the functioning of the appropriate Student Assistance Team which is a core team of administrators, teachers, counselors, and nurses.

**Student Code of Conduct**

The student code of conduct includes regular school attendance, conscientious effort in classroom work, and obedience to school rules and regulations. No student has the right to interfere with the education of another student. Students’ responsibilities are to:

**Student Photos/Images for Publicity Use**

*Photo Release*

Waynesburg Central High School seeks to actively promote the positive accomplishments of our students. In many cases, photos of our students appear in local media and in publications produced outside of the district’s control. If you **DO NOT** wish for your child’s photo image to be used for inclusion in school and district publications such as the school yearbook, newspaper, or on the District’s web site, please complete the **photo release section located on the student emergency card** and return it to the main office. These forms will need to be completed annually.

**Student Productions**

Should it be necessary for student to use *look-alike* props that represent items prohibited by the student handbook such as weapons, alcoholic beverages, etc., written approval from the sponsor, teacher, or coach as well as written approval from a principal will be necessary prior to any school-sponsored production, student performance, and presentation. This includes all classroom presentations as well as school wide performances. Approval forms may be obtained in the principals’ office and should be filled out and signed prior to the students’ performance presentation.

Students who independently bring any *look-alike* products to school representing prohibited items are subject to the disciplinary actions as bringing the actual item.

**Student Rights**

Having legal rights as persons and citizens, students may not be deprived of what the law gives them. Included among these rights are the right to an education, the right to express opinions, and the right to be free from discrimination. As part of the educational community, they have the right to be treated with dignity and the right to contribute to the educational process. Students should express their ideas and opinions in a respectful manner so as not to offend or slander others and infringe upon other’s rights.

**Student Rights/Options for Dissection**

School Districts are required to notify parents and guardians of the right to decline to participate in an educational project which involves dissection, incubation, capture or other harmful use of vertebrate animals including fish, amphibians, reptiles and mammals. A student who chooses to refrain from participation in or observation of these activities will have an alternative educational project.

Any parent who chooses to have their child refrain from participation or observation of the above listed items should submit a letter to Mr. Robert Stephenson, Principal, as soon as possible.

**Student Safety**

A student may be suspended, expelled, or subject to other disciplinary action when the school administration has determined that he/she represents a threat to the health and/or safety of other students and/or employees by:
Causing, attempting, or threatening to cause person harm, physically or mentally, damage to personal or school property, and/or disrupting school activities or transportation. Such actions include, but are not limited to:

- Arson
- Burglary
- Possession of incendiary devices
- Stealing/larceny
- Batter/fighting
- Criminal mischief
- Intimidation
- Verbal abuse.

Every student has a right to a public education. Violating this right by causing a disturbance in the educational setting will not be tolerated.

Magnetic door locks have been installed for student safety. All doors will be locked after 8:00 A.M. After that time, students/parents/guardians/visitors/etc. will be admitted at the front door or entrance B in the back of the building only after pushing a “call” button and being identified and approved for admittance by office personnel.

- Any student purposely opening a door to allow entrance to the building without permission faces severe disciplinary measures. All doors are to be kept locked from 8:00 A.M. until 3:00 P.M.
- Students leaving the building for any reason during the normal school day (8:00 A.M. to 3:00 P.M.) must use the student parking lot door or the door immediately in front of the office. Leaving by any other door without permission will also result in severe disciplinary action.

Video cameras have also been installed to assure your safety. However, no system is foolproof and it will require your total cooperation to be successful.

S

STUDENT SERVICES

Chapter 14: Special Education Services

The Central Greene School District provides a free, appropriate, public education (FAPE) to exceptional students residing in the district. All children with a disability between the ages of three to twenty-one who have been identified as needing special education and related services have the right to FAPE. The determination that a child is eligible for special education and related services is made on an individual basis by a team of qualified professionals and the parent of the child following a multidisciplinary evaluation and the completion of an evaluation report. A student qualifies as exceptional if he or she is found to be a child with a disability and in need of specially designed instruction and related services under the provisions of the Individuals with Disabilities Act (IDEA) and Chapter 14 of the Pa. School Code. The following are disability categories under IDEA: autism, deafness, deaf/blindness, emotional disturbance, traumatic brain injury, hearing impairment, specific learning disability, mental retardation, multiple disabilities, other health impairment, speech and language impairment, orthopedic impairment and visual impairment including blindness.

If you believe your child is in need of services, you may contact your child’s school principal or Tammy Mandich, Director of Special Education.

Chapter 15: 504 Service Agreement

The Central Greene School District provides to each protected handicapped student those related aids, services, or accommodations that are needed to provide equal opportunity to participate in a benefit from the public school program and extracurricular activities. Services are provided without discrimination or cost to the student or family.

To qualify for services under a Chapter 15/Section 504 Service Agreement, a student must be school age and have a physical or mental disability or condition that substantially limits one or more major life activities such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, concentrating, thinking, reading, communicating and working. The disability or condition impacts the student’s access to participate in the public school program. Through an evaluation process, if a student is identified as a protected handicapped student, a Chapter 15 Section 504 Service Agreement is drafted to provide equal access and opportunity to a Free Appropriate Public Education (FAPE).

If you believe your child is in need of services, you may contact your child’s school principal or Tammy Mandich, Director of Special Education.

Chapter 16 Gifted Education Services

According to 22 Pa. Code Chapter 16, the definition of mentally gifted is part of a “multiple step” criteria. Below is a listing of the criteria which will be reviewed by the school, parents and other pertinent team members when determining whether a student qualifies for the Central Greene School District’s gifted program:

IQ 130 or more

The term “mentally gifted” includes a person who has an IQ of 130 or higher, when multiple criteria as set forth in Pennsylvania Department Education Guidelines indicate gifted ability. Determination of gifted ability will not be based on IQ score alone.... The determination shall include an assessment by a certified school psychologist. (22 Pa. Code §16.21(d))

No one test or measure is sufficient to determine giftedness.

IQ Lower than 130

A person with an IQ score lower than 130 may be admitted to gifted programs when other educational criteria in the profile of the person strongly indicate gifted ability. (22 Pa. Code §16.21(d))
If a student’s IQ is less than 130, other factors, such as academic performance, demonstrated achievement and other observed skills must strongly indicate gifted ability in order for that student to be admitted to a gifted program.

Factors Considered When Determining Mental Giftedness:

1. The child performs a year or more above grade achievement level in one or more subjects as measured by a nationally normed and validated achievement test.

2. The child demonstrates rates of acquisition/retention of content and skills reflecting gifted ability.

3. The child demonstrates achievement, performance, or expertise in one or more academic areas as evidenced by products, portfolios or research, as well as criterion-referenced team judgment.

4. The child demonstrates early and measured use of high level thinking skills, academic creativity, leadership skills, intense academic interest, communication skills, foreign language aptitude, or technology expertise.

5. The child demonstrates that intervening factors such as English as a second language, disabilities, gender or race bias, or socio/cultural deprivation are masking gifted abilities.

If you would like your child tested for gifted education services, please send the written request to your child’s school counselor or to Tammy Mandich, Director of Special Education.

English as a Second Language (ESL) Services

In accordance with the Board’s philosophy to provide a quality educational program to all students, the district shall provide an appropriate planned instructional program for identified students whose dominant language is not English. The purpose of the program is to increase the English language proficiency of eligible students so that they can attain the academic standards adopted by the Board and achieve academic success. Students who have limited English proficiency (LEP) will be identified, assessed and provided appropriate services.

Homeless Services

In compliance with the federal McKinney-Vento Homeless Assistance Act, as reauthorized in 2015 by the Every Student Succeeds Act (ESSA), Central Greene School District is attempting to identify all children within the district that may be experiencing homelessness.

The term homeless children and youth is defined as individuals who lack a fixed, regular and adequate nighttime residence. This includes individuals:

- Sharing the housing of other persons due to loss of housing, economic hardship or a similar reason;
- Living in a motel, hotel, trailer park or campground due to lack of alternative adequate accommodations;
- Living in emergency or transitional shelters;
- Living in cars, parks, public spaces, abandoned buildings, bus or train stations or similar settings;
- Living in substandard housing (no running water or working utilities, etc.).

Children who are experiencing homelessness may qualify for assistance with free school lunch, school supplies/materials, tutoring and transportation so that they can remain in their school of origin.

If you believe your child(ren) may qualify for this service, please contact the principal or school counselor of your child(ren)’s school. You may also contact Tammy Mandich, Homeless Liaison at 724-627-8151 x 1232.

If your living situation changes during the school year, and you and your children become homeless, please be sure to contact the school. We will work with you so that your child(ren)’s education is disrupted as little as possible.

Student Status

All students are required to advance toward graduation, which demands graduates of W.C.H.S. must accumulate twenty-eight (28) credits to graduate.

You will progress to the next grade as long as you can successfully earn the appropriate number of credits needed by graduation without having to take more than eight (8) courses (full periods) per year.

Taking Students Off School Grounds

It is unlawful for any student to transport another student off school grounds in his/her vehicle during school hours without permission from school administration. Students will receive a minimum one (1) day suspension for this action.

Tardy Form

Bus transportation is provided for all students. If a bus is late to school, students should report to the office window for instructions as to how to proceed to class. Students on late buses are not charged with tardiness to school. Students who use alternative methods of
transportation are charged with tardiness if they arrive for class later than 8:00 A.M. **Any student arriving late for school must report to the office window and fill out a Tardy Form.**

After completing the form and returning it to the secretary, the student must sign the daily register sheet. Then he/she will receive a timed slip, which will permit the student to enter his/her scheduled class. Each recorded tardy will appear on the student’s attendance record.

When a student receives four (4) unexcused tardies, he/she will be assigned lunch detention. Eight (8) unexcused tardies will result in three (3) days of lunch detention. Further tardies during each semester could result in a parent meeting with the superintendent.

**TELEPHONE CALLS**

A phone is provided for student use before 8:00 AM, during lunch and after school. Phone calls for students during the day are for emergencies only. Please make your arrangements at home before a student comes to school. **WE WILL NOT TAKE CALLS FROM ANYONE BUT THE PARENT.**

**TESTING SCHEDULE**

On page twenty-nine (29) you will find a copy of the tentative testing schedule. Please make every effort not to schedule an appointment or trip during the testing window. Your cooperation in this matter will insure successful testing for your son or daughter.

**TOBACCO POLICY**

We consider smoking to be harmful to the health of our students. As a result, the building has been designated as smoke-free. Any incidents of smoking will be treated in a serious manner and will receive disciplinary action.

Students found in possession of any type of tobacco, including but not limited to any nicotine product, electronic cigarettes, vaping mechanisms, other electronic devices or look alike device will receive a three (3) day suspension and be referred to the local Magistrate.

**VALUABLES**

All valuables are the responsibility of the students. Do not bring any large amounts of money to school at any time. Keep all valuables on your person at all times. Do not leave any money in your locker, locker room or any other accessible place.

**VISITORS POLICY...Raptor, new**

In order to insure student safety we have instituted a strict visitor’s policy. Any visitor entering the building must immediately report to the office window and sign in with our Raptor System. After gaining approval you will receive a visitor’s permit which must be displayed so building personnel will not become alarmed by your presence.

You may be asked to leave your drivers license or some type of identification in the office which will be returned when you give back your visitor’s permit.

Failure to comply with our policy will result in your removal from the building and the filing of trespassing charges.

No visitation will be permitted during the school day by students not enrolled in the C.G.S.D.

**WEAPONS POLICY**

Weapons shall include, but not be limited to:

- Firearms
- Knives
- Metal knuckles
- Straight razors
- Explosives
- Noxious, irritating or poisonous gases
- Poisons
- Drugs or other items fashioned with the intent to use, sell, harm, threaten, or harass students, staff members, parents and patrons.

**Dangerous weapon** means any weapon, device, instrument, material or substance, animate or inanimate, which under the circumstances in which it is used, attempted to be used or threatened to be used is readily capable of causing death or serious physical injury.

Any loaded or unloaded firearm or dangerous weapon possessed on or about a person while on district property is subject to seizure or forfeiture.

Any student found in possession of or harboring an item which could be defined or thought to be dangerous or threatening to himself or other students, on school grounds, at school sponsored activities, or on school buses, will immediately be suspended from school for ten (10) days and referred to the police. Expulsion proceedings may also be initiated through the Superintendent of Schools.

Weapons are strictly forbidden on school property. Do not bring any questionable item to school. Remember, a simple pen knife could result in serious problems!

NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over eighteen (18) years of age ("eligible students") certain rights with respect to the student's education records. These rights include:

1. The right to inspect and review the student's education records within forty-five (45) days of the day the school receives a request for access. Parents or eligible students should submit to the building principal a written request that identifies the record(s) they wish to inspect. The building principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents or eligible students who wish to ask the school to amend a record should submit to the school principal a written request that clearly identifies the record or part of the record they want changed and specify why they feel it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One (1) exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his/her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility. Criteria for determining whether the official has a legitimate interest include, but are not limited to, whether particular information concerning the student is: (a) presently or potentially relevant to the provision of education, education-related services, or extracurricular activities or experiences, or (b) necessary to protect the health, safety, or welfare of school officials and/or other students with whom the student might have contact.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

5. The district is permitted by law to disclose appropriately designated “directory information” without obtaining the prior written consent of the parent or eligible student unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the district to include this type of information from your child’s education records in certain school publications. Examples include:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two (2) federal laws require the district to provide military recruiters, upon request, with the following information on its junior and senior class students – names, addresses and telephone listings – unless parents have advised the district that they do not want their student’s information disclosed without their prior written consent.1

If you do not want the district to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing by August 20th prior to the start of the school year. The school district has designated the following information as directory information:

a. The student’s name, address, listed telephone number, date, and place of birth.
b. Student’s email address.
c. Program or major field of study.
d. Dates of attendance.
e. Participation in officially recognized school activities and sports.
f. Weight and height of members of athletic teams.
g. Placement on the honor roll.
h. Certificates and awards received.
i. The most recent previous educational agency or institution attended by the student.
j. Grade level.
k. Enrollment status.
l. Photograph/School Picture.

Questions regarding this notice or your rights under FERPA should be directed to the building principal.

CGSD Policy 220

Student Expression/Distribution and Posting of Materials

Purpose

The right of public school students to freedom of speech is guaranteed by the Constitution of the United States and the constitution of the Commonwealth. The Board respects the right of students to express themselves in word or symbol and to distribute and post materials in areas designated for posting as a part of that expression. The Board also recognizes that exercise of that right must be limited by the district's responsibility to maintain an orderly school environment and to protect the rights of all members of the school community.[1]

This policy addresses student expression in general and distribution and posting of materials that are not part of district-sponsored activities. Materials sought to be distributed or posted as part of the curricular or extracurricular programs of the district shall be regulated as part of the school district’s educational program.

Definitions

Distribution - students handing nonschool materials to others on school property or during school-sponsored events; placing upon desks, on or in lockers; or engaging in any other manner of delivery of nonschool materials to others while on school property or during school functions. When e-mail, text messaging or other technological delivery is used as a means of distributing or accessing nonschool materials via use of school equipment or while on school property or at school functions, it shall be governed by this policy. Off-campus or after hours distribution, including technological distribution, that does or is likely to materially or substantially interfere with the educational process, including school activities, school work, or discipline and order on school property or at school functions; threatens serious harm to the school or community; encourages unlawful activity; or interferes with another's rights is also covered by this policy.

Expression - verbal, written or symbolic representation or communication.

Nonschool materials - any printed or written materials meant for posting or general distribution to others that are not prepared as part of the curricular or extracurricular program of the district, including but not limited to fliers, invitations, announcements, pamphlets, posters, Internet bulletin boards, personal web sites and the like.

Posting - publicly displaying nonschool materials on school property or at school-sponsored events, including but not limited to affixing such materials to walls, doors, bulletin boards, easels, the outside of lockers; on district-sponsored or student web sites; through other district-owned technology and the like.

Authority

Students have the right to express themselves unless such expression is likely to or does materially or substantially interfere with the educational process, including school activities, school work, or discipline and order on school property or at school functions; threatens serious harm to the school or community; encourages unlawful activity; or interferes with another's rights.[1]

Student expression that occurs on school property or at school-sponsored events is fully governed by this policy. In addition, off-campus or after hours expression is governed by this policy if the student expression involved constitutes unprotected expression as stated in this policy and provided the off-campus or after hours expression does or is likely to materially or substantially interfere with the educational process, including school activities, school work, or discipline and order on school property or at school functions; threatens serious harm to the school or community; encourages unlawful activity; or interferes with another's rights.[2][3][1]
The Board shall require that distribution and posting of nonschool materials occur only at the places and during the times set forth in written administrative regulations. Such regulations or procedures shall be written to permit the orderly operation of schools, while recognizing the rights of students to engage in protected expression.[4][1]

**Unprotected Student Expression**

The Board reserves the right to designate and prohibit manifestations of student expression that are not protected by the right of free expression because they violate the rights of others or where such expression is likely to or does materially or substantially interfere with school activities, school work, or discipline and order on school property or at school functions including but not limited to:

1. Libel of any specific person or persons.

2. Advocating the use or advertising the availability of any substance or material that may reasonably be believed to constitute a direct and serious danger to the health or welfare of students.

3. Using obscene, lewd, vulgar or profane language – whether verbal, written or symbolic.[3]

4. Inciting violence; advocating use of force; or encouraging violation of federal, state or municipal law, Board policy or district rules or regulations.

5. Are likely to or do materially or substantially interfere with the educational process, including school activities, school work, or discipline and order on school property or at school functions; threaten serious harm to the school or community; encourage unlawful activity; or interfere with another’s rights.

6. Violating written school district administrative regulations or procedures on time, place and manner for posting and distribution of otherwise protected expression.

Spontaneous student expression which is otherwise protected speech is not prohibited by this section.

**Discipline for Engaging in Unprotected Expression**

The Board reserves the right to prohibit the posting or distribution of nonschool materials containing unprotected expression and to prohibit students from engaging in other unprotected student expression, as well as to stop unprotected student expression when it occurs. The Board reserves the right to discipline students for engaging in unprotected expression. Where such expression occurs off campus and away from school functions, a nexus between the unprotected expression and a substantial and material disruption of the school program must be established.

**Distribution of Nonschool Materials**

The Board requires that students who wish to distribute or post nonschool materials on school property shall submit them one (1) school day in advance of planned distribution or posting to the building principal or designee, who shall forward a copy to the Superintendent.[1]

If the nonschool materials contain unprotected expression as stated in this policy, the building principal or designee shall notify the students that they may not post or distribute the materials because the materials constitute a violation of Board policy.

If notice is not given during the period between submission and the time for the planned distribution or posting, students may proceed with the planned distribution or posting, provided they comply with written administrative regulations or procedures on time, place and manner of posting or distribution of nonschool materials.

Students who post or distribute nonschool materials in compliance with this provision may still be ordered to desist such distribution if the materials are later found to be unprotected expression under this policy.
Students who distribute printed materials shall be responsible for clearing any litter that results from their activity and shall schedule the event so that they do not miss instructional time themselves.

**Posting of Nonschool Materials**

If a school building has an area where individuals are allowed to post nonschool materials, students may post such items as well, if the materials do not constitute unprotected expression and the items are submitted for prior review in the same manner as if the students were going to distribute them.

Such materials shall be officially dated, and the district may remove the materials within ten (10) days of the posting or other reasonable time as stated in the administrative regulations or procedures relating to posting.

**Review of Student Expression**

School officials shall not censor or restrict nonschool materials or other student expression for the sole reason that it is critical of the school or its administration, or because the views espoused are unpopular or may make people uncomfortable.

Student-initiated religious expression is permissible and shall not be prohibited except as to time, place and manner of distribution, or if the expression involved violates some other part of this policy, e.g., because it is independently determined to be unprotected expression under the standards and definitions of this policy.

The review for unprotected expression shall be reasonable and not calculated to delay distribution.

Appeal of the reviewer's decision may be made to the Superintendent and then to the Board, in accordance with Board policy and district regulations or procedures.

**Delegation of Responsibility**

The Superintendent shall assist the building principal in determining the designation of the places and times nonschool materials may be distributed in each school building. Such designations may take into account maintenance of the flow of student traffic throughout the school and shall limit distribution of nonschool materials to noninstructional times.

Disciplinary action may be determined by the administrators for students who distribute or post nonschool materials in violation of this policy and district regulations or procedures, or who continue the manifestation of unprotected expression after a person in authority orders that they desist. Disciplinary actions shall be included in the disciplinary Code of Student Conduct.[5]

This Board policy and any administrative regulations or procedures written to implement this policy shall be referenced in student handbooks so that students can access them for further information.

Central Greene School District continues to prepare its students with 21st century college and career ready skills. This year we will begin our 1:1 integration of technology, where every student in grades K through 12 will receive a Chromebook for learning. This initiative will help ensure we graduate students who can work digitally, collaborate meaningfully, and communicate in connected, real-world ways.

Chromebooks are laptop devices which run the Chrome OS (operating system) by Google. They are “thin client” devices and have virtually no hard drive storage. Essentially they are web browsers, designed to be used to connect to the Internet. These devices require most applications and data run in the cloud, or on remote web servers. Chromebooks automatically update their OS ensuring they remain current with the latest improvements. To store or access personal files with a Chromebook, a user must have access to cloud-based storage, like Google Drive, or attach a USB flashdrive.

The Central Greene School District has a Google management license that connects our staff and students via Google Drive and its productivity suite. This license provides our learners with all of the Google Apps for Education and their available features. Google offers thousands of educational apps that teachers and students can use to enhance learning. Wherever students go, when they sign into Google Chrome with their account, these apps are instantly available.

In this handbook you will find the district’s expectations, for students in grades K-12, of proper handling of Chromebooks, describes students’ responsibilities and ways they can best take care of the devices, and includes an agreement for them and their parents. Understanding and abiding by this agreement is necessary in order to provide the best use of Chromebooks to our students. Its regulations, along with the District policy on Internet Acceptable Use and Student Handbooks, provide safeguards to ensure students have a positive experience, as we provide a 1:1 integration of educational technology for all.

As we begin this year with Chromebooks, we are excited about the possibilities. We know our teachers and students will find new apps, new lessons, and new discoveries as they prepare for tomorrow’s opportunities.

Chromebook Loan Agreement

A Chromebook and accessories in good working order are being lent to each student. Each student’s acceptance of the equipment indicates the student’s and parent/guardian’s acceptance of the responsibility to care for the equipment and ensure that it is kept secure and functional, as expressed in this document.

This equipment remains at all times the property of the Central Greene School District and is lent to the student for educational purposes only. The student may not deface or destroy this property in any way. The equipment is for the use of the student only; family and friends should not use the equipment. Inappropriate use of the device may result in the student losing his or her right to the use of the Chromebook. The equipment will be returned when requested by Central Greene School District, at the end of the school year, or sooner, if the student enrollment changes, or withdraws from the District prior to the end of the school year.

The District property may be used by the student only for non-commercial purposes, in accordance with District policies and rules, the District’s Internet Acceptable Use Policy, as well as local, state, and federal law.

Students may install Chrome apps from the District approved app store. But please note that personal apps, videos and photos may be deleted if required to free up space for District apps and documents.

The student may not make or allow others to make any attempts to add, delete, access, or modify District owned information on any Chromebook or any school owned computer. The Central Greene School District network is provided for the academic use of all students and staff. The student agrees to take no action that would interfere with the efficient, academic use of the school network.

Asset tags have been placed on the Chromebooks. These labels are not to be removed or modified. If they become damaged or missing, contact the IT support staff for replacements.

In order to login to your device, an email account—a school licensed Gmail account—has been set up. For grades K-10 students will use the following format: firstname.lastname.yearofgraduation@cgsd.org. Students in grades 11-12 will use the format of firstname.lastname@cgsd.org. Students in grades K-3 do not have access to email, but will use their email address to login to their device. Those in grades 4-7 can use email for appropriate academic communication with other students and staff members within the Central Greene domain only. This email is for communication within the School District and approved senders. Students in grades 8-12 can utilize email both in and outside of the district.

The student agrees to use best efforts to assure that the District property is not damaged or rendered inoperable by any electronic malware while in the student’s possession.
Responsibilities

Student Responsibilities:
The Chromebook is an important learning tool and is to be used for educational purposes only. In order to take the Chromebook home each day, you must be willing to accept the following responsibilities.

● When using the Chromebook at home, at school, and anywhere else I may take it, I will follow the policies of the Central Greene School District, particularly the Student Handbook and the Internet Acceptable Use Policy, and abide by all local, state, and federal laws.

● I will treat the Chromebook with care by not dropping it, getting it wet, leaving it in an automobile, leaving it outdoors, unsecured, or in a place where it may become damaged or stolen.

● I will not lend the Chromebook to anyone, not even my friends or family members; it will stay in my possession at all times.

● I will not remove District-owned programs or files from the Chromebook.

● I will charge my Chromebook nightly so that it has a full charge at the start of school every day.

● I understand that if I leave my Chromebook at home or do not charge it, I am still responsible for getting coursework done as if I had my Chromebook present and charged.

● I will bring the Chromebook to school every day. If I leave my Chromebook at home for multiple consecutive days, I may be called upon to bring the device in to verify possession and condition of the Chromebook.

● I agree that email (or any electronic communication) should be used only for appropriate, legitimate and responsible communication.

● I will keep all accounts and passwords assigned to me secure and will not share them with anyone.

● I will not attempt to repair the Chromebook. If it is not working properly, I will notify teachers or administrators.

● I will bring the Chromebook to an administrator if it needs repair. If it needs repair, the student's record will be checked, a loaner may be checked out if the student is eligible and a device is available, and appropriate fees will be charged to the student.

Parent/Guardian Responsibilities:

Your son/daughter has been issued a Chromebook to improve his/her education this year. It is essential that the following guidelines are followed to ensure the safe, efficient and ethical operation of this computer.

● I will supervise my child’s use of the Chromebook at home.

● I will discuss our family’s values and expectations regarding the use of the Internet at home.

● I will supervise my child’s use of the Internet and email.

● I will not attempt to repair the Chromebook, nor will I attempt to clean it with anything other than a dry cloth.

● I will report to the school any problems with the Chromebook and will not delete any District software.

● I will make sure my child recharges the Chromebook nightly.

● I will make sure my child brings the Chromebook to school every day.

● I understand that if my child comes to school without the Chromebook, I may be called to bring it to school.

● I agree to make sure that the Chromebook is returned to school when requested or upon my child’s withdrawal from the Central Greene School District.

Caring for your Chromebook

● Bring it to school every day. Chromebooks are intended for use at school each day. Teachers will plan their lessons assuming that all students will bring their Chromebooks with them with plenty of charge. In addition to teacher expectations for Chromebook use, school messages, announcements, calendars, and schedules may be accessed using Chromebooks. You are expected to be responsible to bring your Chromebook to all classes, unless specifically instructed to do otherwise by your teacher or principal.

● Charge your Chromebook every night. Be sure to have a full charge as you enter school each day. Make charging your Chromebook part of your nightly routine before going to bed on school nights.
● **Makeup work is a must if you do without.** If you leave your Chromebook at school, or come to class without a charge, you are still responsible for all your coursework. If you leave your Chromebook at home for multiple consecutive days, your teacher or principal may request you bring the device in to verify possession and condition of your Chromebook. Repeatedly not having your Chromebook at hand or not having it charged for class, may be cause for disciplinary action.

● **Keep only school-appropriate media on your computer.** Inappropriate media should not be on the Chromebook and may not be used as a screensaver or background image. The Chromebook should not be used to take photos unless as part of an assignment or instruction by school staff.

● **Do not take images, video or audio without subject consent and school staff permission.** Taking pictures and recording audio or video without permission is inappropriate, and without consent is unlawful. Posting them to the Internet is a violation of our school policies.

● **Obey copyright.** Individually purchased, legal, school-appropriate media is allowed on your Chromebook; however, you may be asked to remove any media files at any time. Illegal downloading and distribution of copyrighted works are serious offences and carry with them the risk of substantial fines and criminal prosecution. Copyright infringement violates the District’s Internet Acceptable Use Policy and leads to disciplinary action.

● **Abide by media content expectations.** Parents should work in conjunction with teachers and administrators to set expectations for appropriate apps, content, music, videos, games, and etexts on your Chromebook. The following are NOT allowed on student Chromebooks: apps rated 17+ or ESRB (Mature), films rated R and NC-17, television shows with TV-MA-rated content, and media rated Explicit Content. Inappropriate content is not allowed and any violation of this policy will result in disciplinary action.

● **Keep browsing safe and through the school filter.** The District’s IT department and technology support staff work responsibly to ensure that potentially inappropriate sites are blocked by the district’s internet filter, in accordance with all applicable laws. Students are expected to abide by the Internet Acceptable Use Policy, and are in violation if they access sites through proxies or otherwise circumvent the school filter. At home it is parents’ and guardians’ responsibility to monitor students’ Internet access. For more information on Internet safety, apps, and ratings, please check the guides at commonsensemedia.org.

● **Turn down the volume and pull out the headphones.** Speakers are to be muted at all times, unless you are granted permission by your teacher for instructional purposes. You may also use headphones at teacher discretion.

● **Leave the District-loaded apps on your Chromebook.** Do not delete any District-loaded apps, folder, files, or file management software. Deletion of certain files or apps will interfere with your ability to complete coursework.

● **Avoid eating and drinking while using your Chromebook.** Doing so puts your Chromebook at risk to crumbs and spills that can do permanent damage to the function and life of your device. This is considered neglect.

● **Never leave your Chromebook unsecured.** Your Chromebook should never be in an unlocked locker, car or any unsupervised area. This is considered neglect.

● **Never leave your Chromebook exposed to extreme elements.** Chromebooks are sensitive to heat and liquids, therefore leaving them in cars, direct sunlight, outdoors, or anywhere they could get hot, cold, damp or wet should be avoided. This is considered neglect.

● **Notify teachers or administration if your Chromebook has a problem.** Whether your Chromebook is not functioning properly, has suffered some damage, or is missing, it is your responsibility to let a school official know as soon as possible. Never try to repair your Chromebook yourself. Clean only with a dry cloth.

**Limit damage.** More than one occurrence of loss, theft or damage in 30 school days will be interpreted as neglect. More than two occurrences of loss, theft or damage during the school calendar year will be interpreted as neglect.

### No Privacy Expectation

No one should have any expectation of privacy or confidentiality with regard to any usage of a Chromebook issued by the District, regardless whether the usage happens for school-related purposes or not. At any time, without prior notice of consent, the District may access, supervise, view, monitor, log, and record student use of Chromebooks at any time for any reason related to the operation of the District. At any time, the District may inspect the contents and condition of Chromebooks. By using a Chromebook, students agree to such access, monitoring, and recording of their use.

### Monitoring Software

School administrators, teachers, and instructional technology staff may use monitoring software that allows them to view screens and activity on student Chromebooks at school.

**Files Downloaded onto Chromebooks**

All images, documents, files, and apps downloaded onto the Chromebook become the property of the Central Greene School District as allowable by law.
