WCHS YEARBOOK 2023

Order Your 2023 Yearbook:

You can order your yearbook in various ways, and Jostens gives discounts for ordering early. You may have received a flyer in the mail or an email from Jostens Yearbooks. You can also go to the website <https://www.jostens.com/> to place your order. I have flyers outside my classroom (T115) as well.

Buy a copy of last year's 2022 yearbook: when they arrive later this fall for \$87.

Students should Join the Class of 20## Google Classroom: I have invited or will soon invite your student to be part of the Class of 2023, or 2024, 2025 Google Classroom. I will use "assignments" to collect ideas, info, photos, survey questions, etc. to use in this year's yearbook. This is a very convenient way to interact with our students but is not a requirement. Please encourage your child to participate.

Contribute Your Photos: Please share any yearbook-worthy photos you might take this school year. Send me photos of our students that I can use on our website and in the yearbook. I will send voluntary "assignments" in the Class of 20## Google Classroom occasionally to prompt your student to submit photos of events, themes, filters, etc. All photos should include our **students** (not just their pet or car etc.), participating in **safe and healthy activities** (not dangling from a skyscraper), showing only **classroom appropriate** material (no beer signs even if it is in the background), in the **highest resolution** possible. You can always email me alayton@cgsd.org with questions.

Senior Photos, Alternate Headshot, Casual Pose, and Baby Pic: Seniors will have their picture taken by Interstate Studios on school photo day with all of the other grade level students, even if they had senior photos taken during the summer or by a different photographer. Picture day photos go on the WCHS ID. I will use this ID photo in the yearbook unless you send me an alternate headshot from your photographer of choice. In addition to this alternate headshot, I would like you to send me a casual shot (or two), and a baby or elementary pic of your child. I will try to use these in the yearbook if possible. I will send voluntary "assignments" through the Class of 2023 Google Classroom to collect these photos. If you would rather email me the photos (by May 1st), please do so in the highest resolution possible. alayton@cgsd.org

Business Ad, Senior Recognition Ad, and Sponsorship: The yearbook offers senior recognition space, business advertisement space, and sponsorships (Every \$100 sponsorship ensures one yearbook gifted to a student who can't afford one. Sponsor names will be listed on the Patron's Page). I would love to highlight alumni businesses and sponsorships. Just let me know your grad year when submitting your advert form.
