

The Central Greene School District is alerting all alumni that after a period of at least ten years, Special Education, Gifted Education and/or Service Agreement Records are no longer needed for the provision of a Free and Appropriate Public Education (FAPE).

Central Greene alumni who graduated in the year 2014 are advised that their records are scheduled to be destroyed on July 1, 2024. Anyone who wishes to review their records prior to destruction should contact the Special Services office at 724-627-3081 ext. 4285 or email kpierson@cgsd.org. Please contact on or before June 21, 2024.

Please note that this alert only pertains to alumni who received services through Special Education, Gifted Education and/or a Service Agreement while attending the Central Greene School District. Further, only the Special Education, Gifted Education and/or Service Agreement portion of the Student Records will be destroyed. The remainder of the student record will not be affected.

Requests for Special and/or Gifted Education Records of students who graduated in 2014 will not be possible after July 1, 2024.

Thank you,
Central Greene Special Education Department
