Dear Central Greene School District Family,

The Central Greene School District will continue remote learning for all students through and including January 19, 2021. This has been necessitated by the recommendations by the Pennsylvania Department of Education and the Pennsylvania Department of Health due to the impacts on our students, families and staff caused by the increase in community transmissions, along with the number of district stakeholders who have tested positive or have been identified as close contacts and have been mandated to quarantine.

If you or any members of your household develop symptoms of COVID-19 or have symptoms that worsen, notify your local health department or the Pennsylvania Department of Health immediately at 1-877-724-3258, contact a health care provider and your child's school nurse. Please visit the Pennsylvania Department of Health website ([www.health.pa.gov](http://www.health.pa.gov)) for the latest and most accurate information about COVID-19.

Regarding our **Free Meals to Families Program**, all Central Greene School District students are eligible for **FREE MEALS** during the week and weekend while remote learning has been extended. Families with children who are not yet school-age are also eligible for meals under this program.

Starting Tuesday Dec. 8<sup>th</sup> Meals will be available for pick-up from 11:30-12:30 on Tuesdays and Fridays at the following locations:

- \* Waynesburg Central Elementary School – Front of school at Gym foyer doors
- \* Margaret Bell Miller Middle School – Band Door located in the alley way
- \* Valley Farm Drive Grandview Apartments
- \* Mountain View Gardens Apartments
- \* Spraggs Township Building
