

## Staff, Parents, Volunteers, Chaperones, Coaches

As many of you are aware; State legislation passed into law Act 153 of 2014 requiring school district employees and volunteers to maintain updated clearances to continue employment. The law states that employees and volunteers must submit new clearances every 60 months. Current employees whose clearances will be 60 months old, must submit new clearances before the current clearances' expiration day.

The following clearances are required:

- **Criminal History Record (Act 34)** <https://epatch.state.pa.us> (State seal must be in background)
- **Child Abuse Record (Act 151)** <https://www.compass.state.pa.us/CWIS>
- **FBI Fingerprinting (Act 114)** <https://uenroll.identogo.com/> use code **1KG6XN** for employment and **1KG6Y3**—For Volunteers
- **Act 24 of 2011 and Act 82 of 2012 PDE-6004**

When you receive your originals of the Criminal and Child Abuse, please bring them to the Administration Office and we will make copies for our files. Bring the registration number for the fingerprinting.
