*To provide a comprehensive education for all students to become successful critical thinkers as they enter a global society.*

May 13, 2022

Dear Parents and Guardians,

Central Greene School District is excited to announce Summer Learning programs for 7th-12th grade students. These programs have been developed to give students another opportunity to earn passing grades from the 2021-22 school year to prevent retention. High school students looking to advance their learning are also eligible to participate in Summer Learning. Summer Learning details for Waynesburg Central Elementary School will soon be available. Please read below for more information.

### **MBM Summer Learning Program**

Margaret Bell Miller Middle School will be offering virtual summer school for grades 7-8 through our *eLearning Academy* (Edmentum) starting on Monday, June 20, 2022 and ending on Friday, July 22, 2022. All learning will be completed online and students must log in daily for a minimum of 3 hours.

A letter from the school will be sent home to any student who has failed two or more Core Classes because they could possibly be retained.

1. Students who have failed four Core Classes will be retained.
2. Students who have failed three Core Classes must pass two of those courses over the summer to advance to the next grade level.
3. Students who have failed two Core Classes must pass one of those classes over the summer to advance to the next grade level.

Courses are FREE as long as your child passes the course. If a student fails, parents/guardians will be billed \$150 per course.

### **WCHS Summer Learning Program**

Waynesburg Central High School will be offering virtual summer school for grades 9-12 through our *eLearning Academy* (Edmentum) starting on Monday, June 20, 2022 and ending on Friday, July 22, 2022. During these five weeks, students will have the opportunity to earn two full credits. Courses are FREE as long as your child passes the course. If a student fails, parents/guardians will be billed \$150 per course. All learning will be completed online and students must log in daily for a minimum of 3 hours.

### **eLearning Academy Instructions:**

The 7th-12th grade Summer Learning program will be fully online and students will need to sign up with our eLearning Academy. Please complete the following steps: Go to [www.cgsd.org](http://www.cgsd.org) then move your cursor over "Departments" then click on "eLearning Academy". On the left side of the page, click on "Summer Learning Application" which will bring up a Google form. Please complete the form and click submit at the bottom of the page.

We hope you take advantage of these programs if your child is eligible. Please contact your child's school if you have any questions regarding our Summer Learning programs.

Thank you.

A handwritten signature in black ink, appearing to read 'SV' with a flourish.
