Dear Parent/Guardian,

We have had a significant change to our bus routines over the last month. Fox School Bus Service is now our primary bus contractor for Central Greene. We also would like to welcome back Barbara Simpson as our contractor. Due to a decrease in enrollment over the past several years, we needed to make some changes to our bus routes to be more efficient. During that process, we were able to eliminate/combine seven bus routes. The routes that have been eliminated for the upcoming year are as follows:

525
550
555
605
610
645
891

We have also combined some buses, notably:

620 –all of hospital area for all schools and Presbyterian church for WCHS
520- all of West Waynesburg bus shelter area 7:00 AM, Landmark and Mt.View Gardens
630- regular route and now does Colonial Plan
515- regular route and now does all of 550 and Mt. Morris Community Center
510-regular route and 525

820- regular route and 555, will ride 810 from town
835- regular route and East View area
880-regular route and all of Rt. 218 including Brant Hill to Waynesburg area
