August 15, 2023

Dear CGSD Family,

I wanted to take the time to welcome all of you to another exciting school year! We hope this letter finds you refreshed, rejuvenated, and ready for new academic adventures. We are thrilled to have each and every one of you as part of our school community.

As we embark on this new academic year, we would like to extend a warm welcome to our new students and their families. We are delighted to have you join our close-knit family, and we are confident that you will quickly feel at home. To our returning students and parents, we are eager to reconnect with you and continue our journey together as we endeavor to pursue our commitment to excellence.

The staff and I are dedicated to providing a nurturing and stimulating environment that promotes academic success, personal growth, and character development. Our teachers have been working hard over the summer to ensure that we provide an exceptional educational experience for all students.

In addition to our academic program, we are excited to offer a range of extracurricular activities, clubs, and sports programs. These opportunities allow students to explore their passions, develop new skills, and build lasting friendships. We encourage all students to get involved and make the most of their time here.

As always, we value the partnership between our school and parents. We encourage you to stay connected with us through parent-teacher conferences, school events, and our online platforms. Together, we can ensure that our students receive the best possible education.

We believe that with a shared commitment and a positive mindset, we can achieve remarkable things. Let us embrace the challenges, celebrate the successes, and create memories that will last a lifetime.

Attached to this welcome back letter, please find a copy of our school calendar. We look forward to seeing everyone on August 29th. Let's make it an exceptional year!

Sincerely,

A handwritten signature in blue ink, appearing to read 'K. M. Monaghan'.

Kevin M. Monaghan
